Subject: Raised Bill No. 5416

This section of bill would limit a executor of an estate or a person (normally elder) to sell the whole gun collection at one time. Why not just require a Application of Authorization like DPS-3 for the bulk sale?

(f) (1) Except as provided in subdivision (2) of this subsection, (A) no person, firm or corporation shall sell, deliver or otherwise transfer more than one pistol or revolver to any individual during a thirty-day period, and (B) on and after July 1, 2022, no person, firm or corporation shall sell, deliver or otherwise transfer a pistol or revolver to any individual who has purchased a pistol or revolver in the previous thirty days.
